

## *After School Programming For Kids!*

You asked and we delivered! The Arts Council is now offering enriching and interactive ***after school classes for kids Monday-Friday.***

---

### **Painting and Drawing For Young Creatives**

For kids in grades K-2  
Instructor: Jazz Sambrina

Does your child have a craving for artmaking? We give young kids the opportunity to work under a tutor's guidance to express themselves in paint, pencil, charcoal and more. Students get guided lessons that are fun and different from what they do in school- with an emphasis on self expression! All supplies are included. Please make sure to bring a paint shirt or apron.

Session 1 • Mondays • September 10-October 15 • 4:15 pm-5:15 pm • \$70 for members \$80 non-members • Siblings are \$65

---

### **After School Guided Art Exploratorium**

Instructor: Jazz Sambrina  
For kids in grades 3-5

Kids in this after school semi open-studio program receive guided instruction in drawing, watercolor and acrylic painting along with sculpture and fiber exploration.

Our talented instructors will be on hand to teach and inspire. All supplies are included. Please make sure to bring a paint shirt or apron.

Session 1 • Tuesdays • September 11 October 16 • 4:15 pm-5:30 pm • \$85 for members \$95 non-members • Siblings are \$75

---

### **The Culture Club**

Instructor: Jazz Sambrina  
For kids in grades 3-5

Kids create artisan crafts based on lessons learned about lands far away. Various mediums and ideas will be explored from each country such as shibori dyeing and retablos. Our talented instructor Jazz will be on hand to teach, guide and inspire. All supplies are included. Please make sure to bring a paint shirt or apron.

Session 1 • Wednesdays • September 5-October 17 • 4:15 pm-5:30 pm • \$85 for members \$95 non-members • Siblings are \$75

---

### **The Construction Zone**

Instructor: Brandon Myers  
For kids in grades 6-9

No hardhats needed, just the desire to put things together to make other things! We use wire, concrete, plaster, hot glue, wood, metals and other odd ball materials to create both useful and maybe not so useful (but cool!) objects. Great for the future engineer or builder in your family. All supplies are included. Please make sure to bring a paint shirt or apron.

Session 1 • Thursdays • September 6-October 11 • 4:15 pm-5:30 pm • \$85 for members \$95 non-members • Siblings are \$75

---

### **After School Guided Open Art Studio**

Brandon Myers  
For kids in grades 6-9 High School

Kids in open studio get to choose what they want to “major in” such as drawing, acrylic painting, watercolor, sculpture or printmaking. Our talented instructor Brandon will be on hand to teach, guide and inspire. Guest artists will drop in to demonstrate and talk about their work . All supplies are included. Please make sure to bring a paint shirt or apron.

Session 1 • Fridays • September 7-October 12 • 4:15 pm-6:15 pm • \$90 for members \$100 non-members • Siblings are \$85
