Holland Area Arts Council is hosting a juried art exhibition this fall to showcase the work of regional artists. Residents of Michigan ages 18 and up will be considered. Over \$2,000 in awards will be given for first, second, and third place, plus two honorable mentions and sponsored awards.

CALLING ALL ARTISTS!

Seeking contemporary artwork completed in the last three years. 2-D works of all mediums, sculpture, photos, videos, installations, costumes, fiber, digital work, projected, and murals including experimental or conceptual works. These works may be ceiling hung, spread on the floor, projected, built on site, temporary, in video format, plugged in, framed or unframed or tacked on the wall to be considered.

*Some things to consider: We will have events periodically during the course of the exhibit and some works might have to be moved temporarily- we hope to avoid this. We can not hang work from the ceiling of the Armstrong Gallery. We can hang work from the Padnos Gallery ceiling. No pornographic, racist or bigoted works will be accepted.

HOW TO SUBMIT:

Email exhibits@hollandarts.org up to three JPEG entries of the work you wish to submit. You may submit up to two detail photos per entry if needed. The JPEG should be an average of 1200 x 800 pixels. Save the image with your last name first, first name next and title of the work. As mentioned before may send a couple of views.

Example: smith.john.birdsinflight.frontview

In the body of the email with your attached images list your full name, address, phone number and sales price of your work adding 40% commission to the Holland Area Arts Council including special installation needs.
